**The Muthoot Group**

A Muthoot M George Enterprise | Since 1887

**Vision**

To be a centre of excellence for learning and research in engineering and technology, producing intellectually well-equipped and socially committed citizens possessing an ethical value system

**Mission**

- Offer a well-balanced programme of instruction, practical exercise and opportunities in technology.
- Foster innovation and ideation of technological solutions on sustainable basis.
- Nurture a value system in students and engender in them a spirit of inquiry.

# Management

The promoters with their commanding presence in Financial Services, Hospitality, Healthcare, Renewable Energy and Information Technology spaces are committed to building MITS as a Centre of excellence totally focused on meritocracy. This Temple Of Learning will provide to the students state of the art infrastructure, top notch faculty and an environment where focus will be on harmonious development of the individual, concurrent with imparting excellent engineering education. The proximity of the College to various public and private sector companies in Kochi-Aluva belt provides opportunities to the students to have constant interface with the industry.

## CHAIRMAN - THE MUTHOOT GROUP

**Shri. M. G. George Muthoot,**  
B.E (Mechanical), MIE, FIE, LGE (Harvard),  
Chairman of The Muthoot Group has provided the vision required for The Muthoot Group to face the dynamics of a fast changing and globalizing world through the Twentieth and Twenty first centuries. He has been bestowed with many awards and honors and his achievements have been acknowledged at National and International Levels.

## THE EXECUTIVE DIRECTOR

**Shri. P George Varghese,**  
Executive Director of MITS, a graduate in Mechanical Engineering from College of Engineering, Trivandrum also holds a Master's degree in business administration. He is a well-known industrialist of Kerala, formerly with FCI - OEN Connectors Ltd.

## From the Principal's Desk

**Dr. Neelakantan P C.**

Muthoot Institute of Technology and Science welcomes you onboard a cruise of excellence in holistic engineering education. With its handcrafted suite of experience zones created to cater to the needs of every stakeholder, MITS has been transforming young aspiring minds to global citizens. Sensitive to the socio economic and political implications and challenges of a digitally transformed world, MITSians are equipped and continuously engaged in endeavors to build a sustainable ecosystem. Sail with us and Soar high.

# Prospectus

## 2019 - 20

---

### Introduction

- This prospectus contains the rules and regulations applicable for selection and admission to Engineering courses for 2019 - 20 in this institution. This prospectus contains procedure or admission to all seats other than those which may be filled up by allotment by Commissioner of Entrance Examinations, Govt. of Kerala.
- This prospectus is subject to modification/addition/deletion as may be deemed necessary by the management of the College subject to further orders, if any passed by appropriate authorities/courts of law.

# Criteria of Eligibility for Admission

## Nationality

Candidate must be Citizens of India.

## Academic Requirement

Pass in Higher Secondary Examination for the Board of Higher Secondary Education of Kerala or an examination recognized equivalent thereto with at least 60% marks in Mathematics separately and 60% mark in Mathematics, Physics and chemistry/equivalent subjects put together or equivalent grade. Rounding of the percentage of marks to the nearest whole number is not permitted.

## Entrance Examination

Candidate should qualify in the Engineering Entrance Examination conducted by the Commissioner of Entrance Examinations, Government of Kerala.

## Courses Offered

	Total intake (Seats)	Management/NRI (Seats)
Civil Engineering	60	30
Mechanical Engineering	60	30
Electrical and Electronics Engineering	60	30
Electronics and Communication Engineering	60	30
Computer Science and Engineering	60	30

# How to apply

The candidate can visit the college and pay ₹500/- towards cost of application. The admission team will assist in filling the application online in the college itself. The candidate can take a print out of the final submitted application for reference and carry the same on the day of admission.

OR

Online mode: visit college website [www.mgmits.ac.in](http://www.mgmits.ac.in), fill the application form online and upload the scanned copy of important certificates asked and pay the application fee ₹ 500/- online through the online payment gateway and complete the application process. The candidate can take a print out of the final submitted application for reference and carry the same on the day of admission.

OR

Prospectus and Application form pre-printed are also available from the College on payment of ₹ 500/- by cash or Demand Draft drawn in favour of Muthoot Institute of Technology & Science payable at any bank at Ernakulam.

■ The duly filled in application form along with self-attested copies of necessary documents shall be submitted directly or by Registered Post A/D to the College so as to reach there on or before the prescribed date. Acknowledgment should be obtained, for applications submitted directly at the College Office.

- Result sheet of the entrance examination, conducted by CEE
- Copy of the Aadhar Card
- Certificate of good conduct from the institution last attended issued within six months from the date of application.
- 4 recent passport size photographs

# Procedure for Selection

## Preparation of Common Merit List and Allotment of Seats

Subject to any orders that may be passed by the Competent Courts, admission will be only on the basis of inter-se merit determined by adding marks obtained in the entrance examination conducted by the Commissioner for Entrance Examinations and Marks obtained for Mathematics, Physics and Chemistry/equivalent subject in the qualifying examination. The marks of the Engineering Entrance Test and Qualifying Examination will be apportioned in the ratio 50:50 Merit list for the different categories will be published in the Website([www.mgmits.ac.in](http://www.mgmits.ac.in))of the College. Selection will strictly be in the order of merit. Selected candidates will not be intimated by post and they are advised to refer to the website and appear for the interview and final selection without fail.

## Data Verification

Details of all applications received including marks will be published in the website of the College ([www.mgmits.ac.in](http://www.mgmits.ac.in))on the appointed date. Candidates are advised to verify the same and rectify entry mistakes, if any, with in the stipulated time limit. Further request for correction will not be entertained.

# Admission

- For genuine reasons, management will have the right to deny admission to any candidate even if otherwise eligible. In such cases the candidate will be informed the reason for the above.
- Candidates are advised to visit the website ([www.mgmits.ac.in](http://www.mgmits.ac.in)) of the College from 01st June 2019 onwards for all other further notifications and appear for interview and admission as notified therein. The process of interview will be continued till the seats are filled.
- Selected candidates shall take admission at the appointed time and date in the College after paying the tuition fee and other fees to be paid, failing which the offer of admission will be canceled. The fees to be paid at the time of admission

## Percentage of Seats Set Apart Under Various Heads

- 50% of the total intake is set apart for Centralized allotment by the Commissioner for entrance examination (CEE), Govt. of Kerala.
- 15% seats under NRI quota are given to children of NRI , provided candidates having minimum 60% marks in mathematics and 60% marks in mathematics, physics and chemistry / equivalent subjects put together for HSE/CBSE/ISC and other boards, are eligible for seeking admission under this category.
- 5% of the seats in each branch will be set apart for the children of employees of MUTHOOT GROUP If there are not sufficient candidates in any branch in this category, such seat will be reverted that to the open merit.
- Management will be free to limit the admission to any particular rank from the CEE Rank list even if there are vacancies.
- Furnishing false information particulars would result in the forfeiture of candidature as well as cancellation of admission to the course if admitted and in addition, will attract the relevant provisions of criminal law of the country.

## Management Quota 2019 - Tuition fee Structure & Scholarships

Category	Eligibility	Tuition fee slab
1.	Kerala Entrance rank (KEAM) up to 5,000 OR 95% and above marks in Mathematics in the +2 level for HSE, and 90% and above for CBSE / ISC and other boards	₹8500/- (Per year)
2	Kerala Entrance rank (KEAM) between 5,000 – 10,000 OR 90% and above marks in Mathematics for HSE, and 85% and above for CBSE / ISC and other boards	₹25,000 (per semester)
3	Kerala Entrance rank (KEAM) above 10,000 and 60% and above marks in Mathematics for HSE / CBSE / ISC and other boards	₹42,500/- (Per semester)

There are **three** categories of tuition fees (1, 2, 3) under which candidates are admitted under Management Quota.

Candidates belonging to the first two categories (1 & 2) are eligible for scholarships of ₹76,500 (85,000-8,500), ₹35,000 (85,000-50,000). (\*Management Quota fees per year is ₹8500/-)

### Criteria for Continuation of Scholarship

For the Continuation of the scholarship, in the subsequent semesters the candidate will have to (In the first Chance),

- Earn the prescribed credits for each semester (S1 to S8) as stipulated by the university and maintain a 7.0 SGPA (Only for first semester)/CGPA.
- If a student admitted under Category 1, fails to earn the required credits stipulated by the University for any semester and/or scores less than 7.0 SGPA (Only for S1)/CGPA, he will slide to Category 2 fees (as applicable) and then to category 3. The student has to earn **8.00 CGPA** to return to category 2 as the case may be from category 3 in subsequent semesters. **However, once a student slides from Category 1, he will lose the privilege of Rs. 8500/- fee slab.**
- Those students, not eligible for getting the scholarship at the time of admission (**admitted in Category 3**), can get scholarship in the following semesters moving to **Category 2** as the case may be in the table above but not to category 1, if they earn the prescribed credits for that semester stipulated by the university and attain 8.00 SGPA (Only for S1)/CGPA. To remain in the particular category, the student will have to maintain 7.0 CGPA and earn all the credits stipulated by the university till the semester under consideration. However a student admitted in **Category 2 cannot move to Category 1** if he/she scores 8.00 SGPA (Only for S1)/CGPA.

### Note:

**In all categories, if a student moves from a fee slab once during the entire course then the best scholarship tuition fees slab that can be subsequently availed will be ₹25,000 per semester and cannot reach category 1 (₹8500/-.)**

## Fee Structure B.Tech Admission – 2019 Management Quota

Item	Category 1	Category 2	Category 3
Admission Fee	100	100	100
Tuition Fee	8500/- (Per year)	25,000 (Per Semester)	42,500/- (per semester)
Caution Deposit (One time)	10,000	10,000	10,000

# Training & Placement

The Training & Placement Cell in the institute plays a pivotal role in counseling and guiding the students for their successful career placement which is a crucial interface between the stages of completion of academic program of the students and their entry into suitable employment. Our main focus is to groom students who have a positive attitude, leadership qualities, are morally strong, technically competent, and are good team players.

## Highlights

- Students from the first year are trained extensively in higher aptitude to enable them to crack the aptitude paper of the industry.
- Apart from these training, technical training has been designed to make the students, industry ready.
- The curriculum is based on the experience and the recommendations from the industry so that the students passing out from the institute need no more technical training when they enter into the industry. This programme is designed to make the students "trained fresher's" as expected by the industry.
- Systematic and continuous placement oriented soft skills training by professional trainers, right from first year.
- Technical and domain knowledge training/certification for pre final and final year students.
- Excellent infrastructure with separate conference room/interview rooms.
- Frequent mock interviews to make students industry ready.
- English lab, to enhance proficiency in language, is provided to the students.

MOU with various major companies have been signed to have strong industry-institute interaction.
